

**FROM THE CAVE TO THE COSMOS: ART, SCIENCE,
and the MYSTERIES OF OUR FAITH**

*the 10th Annual Thomas Berry Lecture presented by
The Center for Environmental Transformation*

MICKEY MC GRATH and ILIA DELIO

Sacred Heart Church, Camden NJ Saturday, Dec. 1 2:00 pm

PEACE and JUSTICE shall meet, ART and SCIENCE shall embrace.

Begin Advent with Ilia Delio, OSF and Mickey McGrath, OSFS who will share their insights and inspirations about God's ever expanding presence in the universe- from the cave of Christ's Incarnation, to the tomb of His Death and Resurrection, to the cosmic tabernacle of Pentecost.

With their passions for science and art, Ilia and Mickey will breathe new life into the timeless traditions and spiritualities of our faith. Along with Teilhard and other scientists, artists, and architects, they will help us understand our connectedness in the Cosmic Heart of Christ. Reception following with book signings.

\$20 Tickets (\$10 for students) available through CATHY NEVINS at canevins@verizon.net
